Privacy Policy

Last Updated: 19 June 2024

Welcome to Story Bear AI. Your privacy is important to us. This Privacy Policy explains how we collect, use, and protect your information when you use our app.

1. App Description

Story Bear AI uses artificial intelligence to generate and read user stories, providing a creative and engaging experience.

2. Information Collection

We collect minimal personal information necessary for user login, such as your email address or Google account information.

3. Non-Personal Information Collection

We collect non-personal information such as error logs, app usage data, and content requests to help us improve our services.

4. Purpose of Data Collection

The information we collect is used to enhance our services and ensure reliability.

5. Data Storage and Security

- **Social Login Data**: Handled by the respective provider (e.g., Google).
- **Error and Usage Data**: Securely managed by AWS (Amazon Web Services).

6. Third-Party Sharing

We do not share your data with any third parties.

7. User Rights

You can request the deletion of your account by contacting us through the provided channels.

8. Cookies and Tracking Technologies

We do not use cookies or other tracking technologies. The only tracking data collected is the anonymous IP address used for server communication.

9. Children's Privacy

Story Bear AI does not collect information from users other than what is necessary for login services. We do not specifically target or collect data from children under 13.

10. Changes to the Privacy Policy

This Privacy Policy may be updated as necessary. The latest version will always be available [here](#).

11. Contact Information

If you have any questions or concerns about this Privacy Policy, please contact us via email or through the contact options provided in the app.
